Hi,

I'm attaching the updated note with Andrea's changes – she updated the numbers related to Ottawa in two places (in responsive TPs and in Annex), and added “help” to the last sentence under Ability to Render Goods and Services.

Thanks!
Erin

Good morning Andrea,

I'm attaching the previously-prepared SECU law enforcement note – we've updated it for the Minister's appearance on Friday. Would you be able to review this morning for redlines? Julie is reviewing it concurrently.

Thanks,
Erin
